NURTURING GIFT SETPACK

This is a perfect set for your entire body. The set contains a Delicious body oil cake with a heavenly scent, and a Loved Special Edition candy red lip balm. The oil cake moisturizes, nurtures, and balances your skin, and the lovely lip balm brings out the best in your lips! The products are designed for normal and dry skin.

DELICIOUS HEAVENLY BODY OIL CAKE

Delicious is rich in antioxidants, vitamins, and good fatty acids, all important to your skin. Rich cacao butter nourishes the dry skin. Grape seed oil is rich in vitamin E and antioxidants, its fast to absorb, and it soothes the skin. Jojoba wax protects the skin from external stress. Cranberry oil contains fatty acids that nurture your skin. Finnish barley starch gives the composition a velvety touch and leaves a matte finish on the skin.

LOVED SPECIAL EDITION CANDY RED LIP BALM

Contains nurturing beeswax from European dark bee. Beeswax creates a thin, natural film on your skin, protects it from external stress, and reduces the amount of skin’s unnecessary moisture evaporation. The lip balm’s delicious pink tone and gloss come from mica minerals. The mica in the lip balm is synthetic, as natural mica mining has serious ethical issues. Benzoin resin oil helps small cuts and chapped lips to recover faster.
